## Qualification

Certificate IV in Teaching English to Speakers of Other Languages trainees who successfully demonstrate competency in all units of the Certificate IV in Teaching English to Speakers of Other Languages will be issued with a Certificate of Qualification by Sea English Academy International.

## Who Should Apply?

This course is designed for anyone wanting to teach English around the world. You do not need a tertiary qualification nor be a native English speaker. There are no course prerequisites, however, applicants must provide evidence of an ability to undertake studies at an appropriate tertiary level in English. If an applicant has not reached an appropriate level of English language they are encouraged to undertake an English language program within the Sea English Academy International, or similar institution, to assist them to attain an appropriate level of English.

## About Sea English Academy

Kim Edwards is the founder and director of Sea English Academy International. Since 1979, she has worked and traveled extensively across 50 nations throughout the Middle East and Asia involved in Relief and Development projects in places such as Iraq, Lebanon, Cyprus, the West Bank, Philippines, Cambodia and India.

In 2003 she returned to the Sunshine Coast and established Sea English Academy International. Sea English Academy International provides the highest level of excellence in all areas of English language training, education and recruitment. Sea English Academy has successfully and rapidly grown and is currently delivering training in more than 20 locations in 15 countries around the world.

Kim travels extensively, championing the cause for positive social change and the empowerment of citizens through English language and education. She is a popular conference speaker at international events on Business, Women and Business, Education, and Cross Cultural Communication.
